

Joint inspections of services for children and young people subject to compulsory supervision orders living at home with their parents

Records required for record reading

Publication date: August 2025

Publication code 09

In preparation for reviewing children and young people's records, the following documents are required for record reading. The strategic support officer will work with the partnership's coordinator to ensure the secure sharing of these records.

Agency records	Documents required (if available and dated within two years of the agreed date)
SCRA	Referral history Children's hearing decision (Chairperson and Reporter recording) Documents which include the views/experience of the child Record of grounds established for CSO
Social Work	Copy of initial assessment which secured the CSO Most recent integrated assessment for review of the CSO Child's Plan Review minutes (two most recent) Chronology Case notes Documents which include the views/experience of the child Documents shared by supporting agencies which include the views/experiences of the child/parent(s)
Education	Child Support Plan Pastoral notes Any documents which specifically include the views/experience of the child.
Health	Health assessment and reviews; for under 5's this might be an assessment from a health visitor; for 5 plus we require the looked after medical assessment
Police	Referrals to SCRA Concern reports
