

On 25 June 2026 an Emergency Condition was imposed on the registration of this service as the Care Inspectorate believes that the absence of the condition in relation to Antonine all stars, Antonine Court Ltd, 30 Dunkenny Road, Glasgow, G15 8LH ('the provider') poses a risk to the life, health or the wellbeing of young people. The Care Inspectorate believe that the provider cannot currently make proper provision for health, welfare and safety for the number of young people the provider was supporting. By reducing the number of young people the provider can support, resources can be directed to making the improvements and improving outcomes for young people who are using the service as required by the Improvement Notice we also issued to the service on 25 June 2026.
